The Parish are now licensed for the use of Liturgical Music **ONLY.** In order to comply with the reporting required by our Licence Company, we need additional information from Musicians, Singers and Instrumentalists who may be asked to sing in our Churches. Please note – it is very important that you credit the owner of the music you use (where possible), so that we can report usage correctly.

We are not licensed for Non-Liturgical Music.

Thank You for your Co-operation.
