ANNUAL PARISH CENSUS 2025

A count of attendance will take place at all Masses across the Diocese this weekend, **10th and 11th May 2025**. The annual parish census captures valuable information about the numbers, ages, and gender of people attending Mass. This information helps the Diocese and parishes to identify pastoral priorities, make plans to address them, and provide support to our faith communities.

When you arrive at Mass, you will be given a small counter for yourself and for each person in your family group and will be asked to place the counters in baskets labelled according to age. There will be red counters for females and blue counters for males. The baskets will be labelled with age bands and the number of counters for each age band will be recorded after each Mass.
